PRESIDENT MCGINLEY PRESIDING

PRESIDENT: Members please report to the Legislative Chamber, roll call is in progress, so that we may begin the afternoon session. Members please report to the Legislative Chamber for the beginning of the afternoon session. Roll call is in progress. Clerk will record the roll.

CLERK: Quorum present, Mr. President.

PRESIDENT: Quorum present, the Legislature is in session. I guess we are still on LB 1129.

CLERK: Mr. President, the next motion I have with respect to 1129 is by Senators Hefner, Labedz and Richard Peterson.

PRESIDENT: Chair recognizes Senator Hefner. May we have order in the Chamber, please. (Gavel.) Senator Hefner.

SENATOR HEFNER: Mr. President and members of the body, this is the second part of what I passed out to you yesterday. This is an override on line-item veto on LB 1129, the capital construction bill. This would complete the package for the Willow Creek Recreational area. It is an \$80,000 capital construction figure. What we would be using it for is renovation and improvements to the existing farmstead that is located on the site. And, also for the construction of a new maintenance building and a yard. Like I told you yesterday we've spent over \$5 million for the project and now we are trying to put the finishing touches to it so that we will be able to operate a recreation area. So with that information I would just urge you to support this override.
